Mobile portrait

A hand-drawn wireframe for a mobile application in portrait orientation. The interface is divided into several sections:

- Header:** Contains a close button (an 'X' in a square), the name "Bemnet," followed by five status icons (each an 'X' in a square).
- Menu:** A hamburger menu icon (three horizontal lines) is located to the left of a rectangular box labeled "Skills".
- Skills Table:** A table with three columns: "Skills", an empty column with a horizontal line, and "certificate". It contains three rows of data, each with a horizontal line in the first two columns and a certificate icon (an 'X' in a square) in the third column. The third row features two certificate icons side-by-side.
- Accomplishments:** A section titled "accomplishments" with four horizontal lines for text entry.
- Navigation:** At the bottom, there are two buttons: a left arrow button on the left and a right arrow button on the right.
